

Models and Talent from The Brock Agency Bring Home Awards

The week prior to Thanksgiving in beautiful Hilton Head Is., SC will be a memorable one for many from The Brock Agency! Twenty-six models and talent from The Brock Agency and their agent, Beverly Brock, attended Models of The South. This event has been staged at The Hyatt Regency Hotel and The Hilton Head Marriott in Hilton Head Island, S. C. for thirty-five years. Parents, grandparents and friends were on hand to see The Brock Agency from Hickory bring home the majority of the awards with their wonderful talent!!!

Those attending this year were: Ashleigh Humphries, Kaila Gozdieski, Presley Carico, Noelle Hemphill, Mikayla Roseman, Desiree Ramos, Dalton Cribbs, De Ja Liles, Laura Moulton, Blair Martin, Candace Chavous, Meghan Zinn, Ashley Oxendine, Kristina Marie Cockrum, Rachael Cox, Mario Turano, Kristin Ruffin, Brittany Roberson, Mari Kate Freeman, Clemeen Connolly, Brittany Anne James, Kelley Harrow, Tiffany Gray, Caitlin McAllister, Erica Malloy and Ian Giles.

The Brock Agency had more than sixty people in attendance, including Aimee Crepeau, hair and make up artist, and Aimee's assistant who helped make the weekend go much more smoothly for everyone.

Preparation for the convention began in February, and rehearsals began in September. Our excited talent and models looked forward to the week before Thanksgiving to begin living their dreams. Every model and actor performed admirably, and each was very supportive of the others. The support was apparent to everyone in the audience when a Brock Agency model or actor was performing on stage. Everyone was truly happy when one was declared the winner. This group and parents were great!

Agents and Music Labels from N.Y., Los Angeles, Tennessee, Georgia, and Florida were the judges. The Brock Agency exceeded expectations with such a wide variety of talent ranging from an exotic dancer, singers (Broadway and Country), models, and actors. With ethnicities including African-American, Caucasian, American Indian, Greek and Italian, they created great excitement with performers from seven to 26 years of age, The Brock Agency participants brought the house down!

From callbacks and agency interviews, everyone has pending work in print, film, or work for the summer in Atlanta, Georgia and New York! Ian Giles was offered a role to read for in a feature film! Many of the models were asked to come to Florida or Atlanta throughout the winter for print jobs.

The Models of the South convention was a great and exciting experience for all who attended.

Winner ... IAN GILES

AGES 20-24 (PRO.)

2nd ... KELLEY HARROW
3rd ... BRITTANY ROBERSON

To top off all our wins we also had last year's Model of the South, Grace Robinson as Co Emcee and she was awesome. Assisting her in giving out the awards on Sunday was our last year's winner, Male Model of the South, Robert Lindle. I was very proud to have both of last year's winners present to present yet again The Brock Agency with the two new Models of the South!! What a great opportunity!!!

Grace Robinson reigns from Raleigh, NC and Robert Lindle is from Taylorsville, NC and both are looking at making the model and talent life their full time careers.

Already signed from this convention is this year's winner Caitlin McAllister with 301 Models from Miami, FL and NY City. Up for a lead role in a feature film is this year's Male Model of the South Ian Giles and Ian has already been offered a contract with a well known agency in Atlanta, GA. Caitlin is from Raleigh, NC and Ian is from Fayetteville, NC.

Many of the models who went have already been offered contracts.

As you can see The Brock Agency talent did an outstanding job at Models of the South and we are already getting prepared to go next November! My pride in my talent and their parents is truly immeasurable! If you think this is something you would be interested in learning more about contact Beverly Brock at The Brock Agency Monday – Friday 10 a.m. – 5 p.m. @ 828/322-8553 or beverly@thebrockagency.com with Models of the South in the subject line.
